

### The Hero of Humanity

"A hesitant moment will kill you"

My sergeant yelled at me.

"There isn't time for 'Right or wrong'"

Shoot to kill - That's the key.

"You've got to kill the enemy

Don't hesitate, be brave."

And so I shot him through the head

And laid him in his grave.

J.M. McCroney

not too bad for humorous verse  
you might want to submit this  
to Literati.
